Company Overview

Outfit Sourcing BD. is a premier sourcing and distribution company based in Bangladesh, specializing in the procurement and export of RMG (Readymade Garments). We export a wide range of apparel, including Sweaters, Shirts & Tops, Denim, Lingerie, Jackets & Overcoats, Hoodies, and more for men, women, and kids. With a strong foothold in the vibrant textile industry of Bangladesh, we excel in connecting global retailers and wholesalers with high-quality garment manufacturers in the region. Our extensive network and industry expertise allow us to offer comprehensive sourcing solutions tailored to meet our clients' diverse needs. At Outfit Sourcing Bd, we are committed to excellence through reliable sourcing, efficient distribution, and unwavering dedication to customer satisfaction.

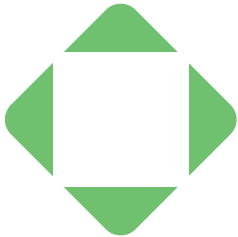

Why Choose Us!!

- **Extensive Product Range:** We offer a diverse range of Readymade Garments, including Sweaters, Shirts & Tops, Denim, Lingerie, Jackets & Overcoats, Hoodies, and more for men, women, and kids, catering to a wide variety of fashion preferences and market segments.
- **Quality Assurance:** We are committed to maintaining the highest standards of quality in our products. Our experienced team ensures that all garments sourced and exported meet stringent quality criteria, ensuring customer satisfaction and brand integrity.
- **Competitive Pricing:** Benefit from our strong relationships with manufacturers and suppliers, enabling us to negotiate competitive pricing without compromising on product quality.
- **Reliable Supply Chain:** With a robust network of reliable suppliers and logistics partners, we ensure timely delivery of orders, optimizing efficiency and reducing lead times.
- **Industry Expertise:** With years of experience in the garment industry, we possess deep knowledge and insights into market trends, enabling us to offer valuable guidance and customized solutions to our clients.
- **Customization and Flexibility:** We understand that every client has unique requirements. Whether it's specific garment designs, sizes, or packaging needs, we offer flexibility and customization options to meet individual preferences.
- **Ethical and Sustainable Practices:** We are committed to ethical sourcing practices and sustainability. We work closely with manufacturers who adhere to ethical standards and sustainable production practices.

Our vision at Outfit Sourcing BD is to be a global leader in Readymade Garment sourcing, known for excellence in quality, innovation, and ethical business practices, while contributing to the growth and sustainability of the textile industry.

Our mission at Outfit Sourcing BD is to cultivate strong partnerships with global retailers and wholesalers by delivering high-quality, competitively priced Readymade Garments. We prioritize innovation, ethical sourcing, and team development to drive sustainable growth and make positive contributions to our industry and communities.
